At Clarity, we like to give people something to talk about, like great rates, cost-effective products, and friendly service. So are you talking about us to your family and friends? If you are, and they decide to join Clarity, you could enjoy a little extra cash in your pocket!

HERE'S HOW IT WORKS:

1. Simply fill out your part of the referral form below and give it to your friend, co-worker or family member to fill out the rest.
2. Tell them to present this form when they join Clarity and apply for any of the following products:
 - Active Checking Account with Direct Deposit*
 - Any Approved Loan Product
 - Clarity MasterCard
3. Once they establish membership and open one of the products listed above, you both will receive \$25 in your savings account.

The more people you refer, the more money for you!
